## District Conference UTSAV on 17 & 18.02.07

Rotary conferences are routinely held every year, but this year's conference literally turned out to be a UTSAV (Celebration). Congratulations to DG Sam, Rtn. Raghav Rao, Rtn. Sharada Rao and the entire team of RC Jubilee Hills for compiling and executing a well-coordinated District Conference that was meaningful, message oriented as well as entertaining.

All the sessions were attractively packed with learned and eminent speakers who made the sessions very lively with their thought provoking and fruitful deliberations. Our club members particularly enjoyed the International Service session.

The very good attendance throughout the duration (and not just at the inaugural) of the conference was a testimony of the Rotarians appreciation of the District Conference. Our club was one of the few clubs who had registered 100% attendance for the Conference.

Our club was also the host for the GSE team during the conference. The team had a great time as home stay guests with members of our club.

This years District Conference was indeed a very remarkable one. Well the party is over but each and every Rotarian, their spouses, families and friends who attended this party enjoyed themselves thoroughly and would remember it for a long time.

Three cheers to team RC Jubilee Hills!

## GSE Team Hosting from 16.02.07 to 19.02.07

Our club members hosted the GSE team from Boston for about four days during the District Conference. Swami a pulmonologist was staying with Tanvi-Rajesh, Lori a pediatrician with Seema-Lokesh, Todd an investment manager with Shreya-Shravan, Nancy an engineer with Ritu-Samir and Chris an attorney with Rohini-Vaman.

The GSE team had already experienced the Indian Hospitality and looked comfortable eating Indian Dishes. Even though some of the hosts had earlier hosted GSE teams this was an opportunity for all the people involved to experience the cultural diversity. The GSE members talked about their lives in the US and also mixed well with the host families. The hosts took them to the Zoo, Chowmohalla Palace and of course the mandatory District Conference. One of the evenings they had a Karaoke session at Lokesh's house, which was especially enjoyed and sung melodiously by Todd, Chris and Lori. They also had a card playing session.

This being the fag end of their long visit to India, they must be looking forward to be back with their family and friends.

To sum it up in the words of Lokesh, "The experience has really broadened his mind."

## GSE Farewell Dinner on 18.02.07

This was indeed a very nostalgic evening for the GSE team members and also for all their hosts from the District. The team members and their hosts turned up in their best traditional Indian clothes. The evening was marked by the presence of a lot of dignitaries from the district including DG Sam, DS Ratna Prabhakar and AG Suresh Khemani.

The host families and the team members were found engrossed in animated in animated discussions, showing the deep bond that has developed between them. The evening was made more colorful and memorable by the unique Musical Tambola game organized by Seema, Lokesh and Shravan. Of course the dancing mascot of our club, Chandrashekar danced to the various tunes regaling the people present and also enticing them to join him on the dance floor. Dr. Kailash Gupta, Satish Manohar and Ajit Gandhi hosted the evening.

## Rotary Birthday Community Service Visit to the Slum School of Bhoodevi Nagar on 23.02.07

The club wanted to celebrate this special day, Rotary's Birthday, in a special way. And what better than doing a community service on that day. Hence some of our members, namely, Rtns. Srinivas, Ramayya, Ravi and George visited the Slum School of Bhoodevi Nagar started by Domestic Workers Movement. This school lacked some essential amenities like benches/chairs and fans. Thanks to Vishal (Rs. 5,000), Rajesh (Rs. 3,000), Ramayya (Rs. 2,000. and Lokesh (2 Nos. Ceiling Fans) whose spontaneous generosity made it possible for us to donate Desks/Benches (20 Nos) and ceiling fans to them. Shoes and snacks were also distributed on this occasion. Members present felt that the school needed more support and assured further assistance to the teachers and coordinators taking care of the school.

## President Rtn. Rajesh in Philippines on 23.02.07 & 25.02.07

In the President's own words:

“ I carried back wonderful memories of Philippines (Manila and Cebu). It was on the 23<sup>rd</sup> Feb 2007 the RI Birthday, I was looking for a makeup meeting and could attend a unique club in Manila, 'Manila-101'. It was unique since it was formed in the 101<sup>st</sup> year of Rotary with spouse comprising of the President in the district 3830, becoming Rotarians and forming this unique club.

While in Cebu (a small island off the main land), they were celebrating 'Rotalympics', a fun and game filled Sunday morning event. Almost 20 clubs in Cebu (District 3860) participated. It was wonderful to be part of the Rotary family here and truly realize the common goal that RI has in different parts of the world.”
