Few of our Rotarians including Rajesh Pamnani, Ramayya, Samir Gupta, Mudit, Lt.Col.George, Ravindranath and Amarnath visited Boys Town, Jahanuma, Hyderabad with a view to help them in their social cause. There are about 3,500 students in their school and about 600 students in their ITI Polytechnic (Government Recognised). Out of these children about 100 students are deaf and dumb and a lot of the students have been picked up from the streets. The best part of the institute is that they have 100% job placement for their students completing diplomas. This institute survives by securing orders from various industries. The members distributed about 100 pairs of students with further assurances that we would help them other ways later.
