Sunrise goes DHOOM

Team Sunrise has done it again. Our club had taken a simple fund raising idea and worked at it diligently, creatively and with dedication to literally create a mini bang (Dhoom). RCSS was pondering on the idea of raising funds by doing a movie show for a very long time and then finally zeroed in on the big release movie (Dhoom2).

Though simple it may seem, our club converted this idea into a major event by their resourfulness and raised a sum of more than Rs. 3.00 Lacs. Our efforts were supported by Rtn. Vishal Srivastav (Kotak Securities) and Rtn. Sridhar Raju (Maytas) who helped in sponsoring Rs. 1.2 Lacs each for our noble cause. We sincerely applaud their efforts.

Apart from raising funds, Sunrise Fundraisers, stamp a hallmark in the city and this event was also marked by the excellent involvement and camaraderie of all its members. They had created such an enthusiasm for this event amongst their friends and relations that the demand for tickets far outstripped the supply. Nevertheless it turned out to be a great fellowship and PR exercise. Acknowledgment is also due to the high octane powered engine comprising of Tanvi, Rajesh, Samir, Shravan, Lokesh and Shekhar for visualizing, conceptualizing, streamlining and executing the package. They had spent a lot of time in going into the fine details (and overcome lot of last minute hiccups like getting the statutory permissions) and made sure that the ride was slick, smooth and enjoyable just like the well-oiled bikes and toned bodies of Dhoom2.

A BIG THANK YOU

Rtn. Dr. Kailash Gupta for donating Rs. 51,000.00 for 50 IOL operations and
Rtn. Uday Kumar for donating Rs. 20,000.00 for the Clubs Clothes Project and
as Ramayya, Director Community Services rightly said "The entire RCSS is highly appreciative of their philanthropy. They have exhibited true Rotarian spirit and their action is worthy of emulation by all of us".

The 7 wonder of living
05th November

International Trainer JC R. Sunil Kumar talked very eloquently on the Seven Qualities important to make our lives better. He creatively compared the qualities found in the Seven Wonders of this world to the qualities required to improve our experience as a Human.

The highly interactive sessions were interspersed with personal experiences of the trainer and the audience. The packed hall with more than 50 couples (from RCSS and RC Cantonment) enthusiastically participated in the various exercises. Indeed it was on of the best speaker meetings.

Life Skills Programme

11th November

How to overcome mid life crisis and stress

Mr. Dipankar talked on the above subject with the assistance of power point presentation and lot of graphical tools. He basically highlighted the various disparities found in life between expectations and results and broadly spoke of concepts to mitigate the same. The attendance on this day was light mainly due to the preoccupation of the member with the looming Fund Raiser.

Shoe Distribution at Centenary School

14th November

The President along with other members visited and interacted with the children of The Centenary School on the Childrens Day. About 120 pairs of shoes were distributed to the students along with biscuits. Senior Citizen forum assisted our club in identifying this needy school.

Assistant Governor Visit and interaction with Ms. Maria Wilde (Youth Exchange Student)

18th November

This was the official visit of our assigned Assistant Governor Rtn. Suresh Khemani. He was pleasantly surprised by the record breaking attendance of 32 members on that day. He appraised the work done by the club so far and also gave valuable inputs to improve the working of the club specifically in the area of Community Service and Reporting.

Ms. Maria Wilde the Youth Exchange Student related some snippets from her private life and also her experiences in India so far.

It is the thought that matters

An old man lived alone in Minnesota. He wanted to spade his potato garden, but it was very hard work. His only son, who would have helped him, was in prison.

The old man wrote a letter to his son and mentioned his situation:

Dear Son,

I am feeling pretty bad because it looks like I won't be able to plant my potato garden this year. I hate to miss doing the garden, because your mother always loved planting time. I'm just getting too old to be digging up a garden plot. If you were here, all my troubles would be over. I know you would dig the plot for me, if you weren't in prison.

Love,
Dad

Shortly, the old man received this telegram:

"For Heaven's sake, Dad, don't dig up the garden!! That's where I buried the GUNS!!"

At 4 a.m. the next morning, a dozen FBI agents and local police officers showed up and dug up the entire garden without finding any guns.

Confused, the old man wrote another note to his son telling him what happened, and asked him what to do next. His son's reply was:

"Go ahead and plant your potatoes,
Dad..It's the best I could do for you from here".

"NO MATTER WHERE YOU ARE IN THE WORLD, IF YOU HAVE DECIDED TO DO SOMETHING DEEP FROM YOUR HEART YOU CAN DO IT. IT IS THE THOUGHT THAT MATTERS NOT WHERE YOU ARE OR WHERE THE PERSON IS".

| Of the things we think,
say or do :
- Is it the TRUTH ?
- Is it FAIR to all concerned ? | - Will it build GOODWILL and
BETTER FRIENDSHIPS ?
- Will it be BENEFICIAL to all
concerned ? |
