### President's Message

#### Season's Greetings !

Thank you for extending the support and co-operation extended towards our DG's visit. Our intention to help the under privileged by vaccinating the children who were deprived of the need to care, bringing them to the level of awareness has given us exhilarating moments and overwhelming response.

Our perception of suffering, of good and bad is always relative. Let's work hard to bring awareness, alertness and knowledge to help erase negative impressions, to bring in light of wisdom to dispel the darkness of ignorance. Dear Rotarian friends, future is there what we give to society but not what we take.

--- Rtn. Dr. L. Surender

### Editorial

We have completed 9 months of tenure and if we look back we have the satisfaction of rendering Service to the community to the best of ability, like Medical Camps, Donation of Highest no. Benches by the club so far and initiating the unique programme of Adolescent Girl Education by continuously monitoring their health ( by way of Check up and Medicines ). Our Fellowship programmes are excellent. Our other service programmes are much appreciated.

I wish to inform you that in the recent past Rotary has decided to have fifth avenue of service called New Generation Service includes services of Interact, RYLA, Rotaract and youth exchange to focus on youth activities. This service particularly trains youth by penetrating deep in to their minds of the ideals of Rotary and prepares the leaders of tomorrow. This is a new step envisaged to strengthen ROTARY.

Let us all hope to make FIFTH service is our focused area in the days to come and make it a big success,

The longest cricket match was between South Africa and England in Durban, South Africa and began on March 03, 1939 and continued till March 14, 1939, although they did not play on the 5th, 11th or 12th.

Unfortunately England had to catch a boat home on the 15th so after play on the 14th the match was called a draw and both teams went home. The world's longest cricket match spanned 43 hours and 16 minutes of playing time in which 1,981 runs were scored.
