### How Time Flies

An another edition to read and digest

I am writing this on behalf of RCSS board and myself, I hope that so far the 2022-23 year has been happy and provess to be truthful to the rotary objectives.

The club of social media having managed the club website since last decade (or longer) and the Facebook Page, the two platforms have started receiving a good number of followers and visits.

We would like to expand our presence on

a) Instagram

b) Twitter (& also continue on existing platforms)

I would like to invite suggestion for volunteers who could take the club forward in the virtual world.

Thank you to everyone who follows us or has followed us on any of the platform.

If you haven't joined or followed us, please do'.

The Trustees of The Rotary Foundation have identified seven areas of focus for the new grant structure. These areas reflect critical humanitarian issues and needs that Rotarians are addressing worldwide. They will align Rotary with other international development efforts and will strategically further the Foundation's mission.

Rotary Clubs serve communities around the world, each with unique needs and concerns. Rotarians have continually adapted and improved the way they respond to those needs, taking on a broad range of service projects. The most successful and sustainable Rotary service tends to fall within one of the seven following areas:

### Peace and Conflict Prevention / Resolution

Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers. (July 2014)

The Foundation enables Rotarians to promote the practice of peace and

conflict prevention/ resolution by:

1. Training leaders, including potential youth leaders, to prevent and mediate conflict
2. Supporting peace-building in communities and regions affected by conflict
3. Supporting studies for career-minded professionals related to peace and conflict prevention/resolution

### **Disease Prevention and Treatment**

More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives. (July 2014)

The Foundation enables Rotarians to prevent disease and promote health by:

1. Improving the capacity of local health care professionals
2. Promoting disease prevention programs, with the goal of limiting the spread of communicable diseases and reducing the incidences of and complications from non-communicable diseases
3. Enhancing the health infrastructure of local communities
4. Educating and mobilizing communities to help prevent the spread of major diseases
5. Preventing physical disability resulting from disease or injury
6. Supporting studies for career-minded professionals related to disease prevention and treatment

### **Water and Sanitation**

More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation. (July 2014)

The Foundation enables Rotarians to ensure that people have sustainable access to water and sanitation by:

1. Providing equitable community access to safe water, improved sanitation, and hygiene
2. Strengthening the ability of communities to develop, fund and maintain sustainable water and sanitation systems
3. Supporting programs that enhance communities' awareness of the benefits of safe water, sanitation and hygiene
4. Supporting studies for career-minded professionals related to water and sanitation

### **Maternal and Child Health**

At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs. (July 2014)

The Foundation enables Rotarians to improve the health of mothers and their children by:

1. Reducing the mortality and morbidity rate for children under the age of five
2. Reducing the maternal mortality and morbidity rate
3. Improving access to essential medical services, trained community health leaders, and health care providers for mothers and their children
4. Supporting studies for career-minded professionals related to maternal and child health

### Basic Education and Literacy

Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. (July 2014)

The Foundation enables Rotarians to ensure that all people have sustainable access to basic education and literacy by:

1. Involving the community to support programs that strengthen the capacity of communities to provide basic education and literacy to all
2. Increasing adult literacy in communities
3. Working to reduce gender disparity in education
4. Supporting studies for career-minded professionals related to basic education and literacy

### Economic and Community Development

Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

The Foundation enables Rotarians to invest in people by creating sustainable, measurable, and long-term economic improvements in their communities and livelihoods by:

1. Building the capacity of entrepreneurs, community leaders, local organizations, and community networks to support economic development in impoverished communities
2. Developing opportunities for productive work
3. Reducing poverty in underserved communities
4. Supporting studies for career-minded professionals related to economic and community development

### Environment

Supporting the environment becomes Rotary's seventh area of focus. It joins peacebuilding and conflict prevention; disease prevention and treatment water, sanitation, and hygiene. RI past President Ian Riseley is the chair of the Environmental Issues task force, which he has championed the new area of focus.

The total project cost was funded by our CSR Partner BHEL GE Gas Turbines Pvt Ltd. The Chief Guest was District Governor Rtn Rajashekar Reddy, President Rtn Rajhans Banks, Mr Venkadesh, Mr Ramachandra Reddy and Mr Ravi Puri from BHEL GE, Mr Govind Hari, Chairman Pushpagiri Eye Institute and Gumedli Srinivas Chairman CSR have presided over the meeting.

RC Jubilee Hills had Artificial Hands Distribution Project on 11th and 12th February. Rotary Club of Jubilee Hills in association with Rotary Club of Poona Downtown and Inali Foundation gave battery operated Prosthetic hands to the needy. Karur Vysya Bank contributed their CSR funds of Rs 18 lakhs for the hands. Rtn Penchal Reddy of RCJH gave Rs1.5 lakhs for the operational expenses.

Rotaract of IHM Shri Shakti and Shri Shakti Institute of Hotel Management participated in both days lending help in all aspects. At the end of the two days 83 hands and 19 castings totalling 102 numbers were given. DG Rajasekhar Reddy attended the program and appreciated the efforts put in. Members of RCJH actively supported the event.

India is a country with diverse religions where the people a lot of festivals. The country celebrates each and every festival with zeal and enthusiasm.

The Indian calendar, which is the Shaka Calendar, is based on the luni-solar system and has local variation. Indian calendar follows the 12 months and 365 days rule but the names of the month are different from the English calendar. The first month of Indian calendar is known as Chaitra while the last one is called Phalguna.

6 April, 2023, Thursday - Hanuman Jayanti

Hanuman Jayanti is a Hindu festival that celebrates the birth of the Hindu deity, and one of the protagonists of the Ramayana, Hanuman. In most states of India, the festival is observed on the full-moon day of the Hindu month of Chaitra.

Solar New Year, Baisakhi, Ambedkar Jayanti - 14 April, 2023, Friday

Baisakhi is a seasonal festival with a special accent. It is celebrated all over Punjab on the first of Baisakh. This is the time when harvested crops are gathered in and the farmers exult in the fulfillment of their year's hard work. On this festival, the farmers join the merry-making with full gusto and do not mind walking for miles to be able to do so.

Akshaya Tritiya - 22 April, 2023, Saturday

Akshaya Tritiya, also known as Akti or Akha Teej, is an annual Hindu and Jain spring festival. It falls on the third tithi (lunar day) of the bright half (Shukla Paksha) of the month of Vaisakha. It is regionally observed as an auspicious day by Hindus and Jains in India, it signifies the "third day of unending prosperity".

Eid-UL- Fitar - 22 April, 2023, Saturday

Eid al-Fitr or the Festival of Sweets is the earlier of the two official holidays celebrated within Islam. The religious holiday is celebrated by Muslims worldwide because it marks the end of the month-long dawn-to-sunset fasting of Ramadan.

Sita Navami - 29 April, 2023, Saturday

Sita Navami has a great significance among Hindus, as it is believed that Goddess Sita was born on this day. This festival is marked exactly after one month of Ram Navami. Sita Navami is also known as Janaki Navami.

Earth Day was originally observed in 1970 in Wisconsin, USA demonstrating for a healthy and sustainable environment. On the 20th anniversary, in 1990, over 200 million people across 141 countries participated and it's still getting bigger. This year, Earth Day coincides with the signing ceremony for the Paris Agreement on Climate Change, which will take place at UN Headquarters in New York. The Agreement was adopted by all 196 Parties to the United Nations Framework Convention on Climate Change at COP21 in Paris on 12 December 2015.

We value your suggestion

Your opinion matters.

Like anything in this world, Rotary Club of Secunderabad Sunrise needs to remain agile and adapt to the changing needs of our tribe and community. How can we expect to continue doing 'good' in a World we can't properly understand or relate to ?

For this reason, we'd love to hear your suggestions on how we could make our club better and/or help guide Rotary International in a more modern direction.
