## Celebrating a Year of Service, Leadership, and Legacy Rotary Club of Secunderabad Sunrise June 2025

As we draw the curtain on the Rotary Year 2024–25, we do so with immense pride, gratitude, and a heart full of memories.

This year has not only been about service—it has been about setting new benchmarks, forging stronger bonds, and leaving a legacy worth celebrating.

We are thrilled to announce that our club has been awarded the title of “Best Club in the City” in the Twin Cities region, a testament to our collective spirit, tireless efforts, and unwavering commitment to the Rotary motto: Service Above Self. From impactful community initiatives to inspiring fellowships and groundbreaking youth programs, every step we took was marked by purpose and passion.

Our leadership has been instrumental in achieving these milestones:

\* President - Anil Goyal, has been honored as the third Best President in the entire RI District 3150, a fitting recognition for her/his visionary leadership, dedication, and ability to unite the club around bold service goals and Rotary ideals.

\* Secretary - Samir Gupta, earned the prestigious title of Second Best Secretary in District 3150, celebrating excellence in administration, communication, and operational execution.

These accolades were accompanied by a host of other district-level awards in District 3150, recognizing our achievements across areas such as community service, literacy, youth engagement, environmental initiatives, and public image.

This year's success was not the result of a single hand but a collective force—a dedicated board, dynamic committees, enthusiastic members, and supportive families. Together, we created a year that will be remembered not only for the awards we received but for the lives we touched and the smiles we inspired.

As we transition into a new Rotary year, let us carry forward this momentum. Let us continue to dream big, act bold, and serve selflessly. To our incoming leaders, we pass the baton with pride and confidence, knowing that the journey ahead is in capable hands.

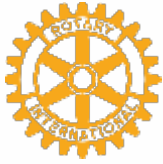

Here's to a year of excellence, impact, and camaraderie.

And here's to many more.

In Rotary Service,

The 2025-26 Presidential Message, announced at the 2025 Rotary International Assembly in February, will remain Unite for Good, which calls on Rotary members to be a force for unity in a world increasingly divided by politics, geography, and ideology. Through service projects, Rotary brings together people of every background — across races, religions, and professions — in a shared mission to do good in their communities.

We are ready to UNITE FOR GOOD.

The new Rotary International Presidential message sets the tone for 2025–26, championed by President Francesco Arezzo and his global team.

Rooted in unity, action and purpose, this year's theme reminds us that lasting impact comes from coming together — across borders, beliefs, and backgrounds.

We are energised to roll out another year of powerful service, innovation, and commitment.

Let's unite, act, and uplift.

## Rotary Club of Secunderabad Sunrise President Message

Dear Members,

I would like share that I had major goosebumps on hopefully performing well at the start of my tenure as President. And now as last message as President of RCSS, I can proudly say that we as a team have more or less performed more than what I had thought of. This was most certainly possible only with the combined support of all the board and members of RCSS. The mutual support, camaraderie, and healthy exchange of ideas made this journey not only enriching, but truly enjoyable.

A heartfelt salute to our District Governor Rtn. Sharath Choudhary for his visionary leadership, tireless energy, and unwavering commitment to strengthening Rotary across the district. His passion inspired us all to reach higher and do better.

Although being the last month of the Rotary year our members showed great spirit and emotion in each and every program organised .... be it :

1. The family fellowship at One Golf
2. The joint board meeting at Sailing annexe
3. The club assembly at Taj Tristar
4. The RO Water Plant inauguration
5. Or the biggest event on RCSS callender this year - hosting the District Awards Night 2024-25.

A district event is one where there are eagle eyes of all senior Rotarians, the trained eyes of fellow clubs and their leaders, the ever watchful eyes of fellow Rotarians and the ever seeking eyes of new rotarians..... all these are from across the district. Our members understood the importance of an event like the District Awards Night and went about organising and aligning the nitty-gritties in a detailed manner.

We at RCSS have had a very busy and eventful year. We have had many lovely family fellowships, a record number of new members joining us, our clubs highest recorded projects under Service/ CSR and a host of other meetings through out the year. For the District Awards Night, i would like to thank RCSS members for working as a team to get this event organized in the best possible manner.

The core committee under the Convener and Co- Convener of the event has left no stone unturned in trying to make this event a memorable one for each and every participant. The Awards... as such.... were under the purview of the District and DG'S team..... which all gathered were eagerly awaiting to know. But, as hosts, we gave our best to arrange all other areas, like venue, ambiance, presentation, gourmet (hitea and dinner), spirits severed and to top it all the quotient of entertainment of the next level.

The result was a heartening..... praises and kudos from all quarters of the District....a truly satisfying end.

While my term as President may have concluded, the friendships and connections built this year will last well beyond. Your enthusiasm and dedication have made 2024-25 unforgettable.

Here's to staying in touch, continuing to support one another, and carrying the Rotary spirit forward.

With gratitude and warm regards, wishing Ranjay and the team for 25-26 all the best!  
May your leadership bring new heights of success to RCSS.

Rtn. Anil Ratan Goyal  
President (2024-25)

Dear RCSS Family,

The of month June 2025 was a time where we were more on our toes than the entire year..... because we were not only having regular meetings -

\* A family fellowship on 2nd of June at One Golf hosted by Vijay - Kavitha Rathi, Rajkumar - Rakhi Kanodia, Ram - Beena Narayan, Tarun - Geetanjali Rungta and Sandeep - Mamta Jhawar. All the members and anns enjoyed the unique family fellowship to the core, with many first time experiencing playing golf.

\* A joint board meet of incoming 2025-26 board and outgoing 2024-25 board on 5th of June, which was held at the Sailing Annexe going on for a duration of nearly 2.5 hours - discussing important matters

\* An important club assembly on 14th of June deciding important matters at Taj Tristar - mainly those which were to be ratified from the matters discussed at the Board Meeting

\* Inauguration of community service project - a new RO Water Plant at Gajwel Polytechnic - a CSR Project from new CSR partner Sumax Engineering

But more significantly preparing for the most important program of the year:

\* Hosting the District Awards Night 2024-25, which was very aptly labeled "Extra Milers" on 29th June - taking care of 850+ Rotarians from 110 clubs of RI District 3150. This was an event which was by God's grace praised by one and all on all the avenues - Venue, registration, event management, food and gourmet, spirits and the entertainment quotient. Final Result..... we can proudly say - A befitting confidence earned from the District and improving our club's stature and name in everyone's eyes.

\* Rotary Club of Secunderabad Sunrise received the following categories of Awards/ Certificates/ Citations/ Club Trophies/ Individual Recognition Trophies in both Regional and District level totaling 25 on 29.06.2025 at Extra Milers - District Awards Night 2024-25

The most significant one being SI no.25..... BEST CLUB - GOLD in Twin Cities Region - Golkonda..... which means No. 1 in Twin Cities region. This is for your kind perusal and celebrations.

I personally have put in my best efforts in this entire year to perform my duties as a Secretary to the core - be it planning in advance for months and quarters, be it communicating with the members on all matters, be it maintaining and reporting detailed minutes, be it monthly reporting to the district, be it giving data/fodder for our monthly magazine, be it planning for board meetings, be it performing the duties of Secretary of our trust or even trying to communicate with our new members of the club. Should I have fallen short in any of the areas in the eyes of any of the members, I would like to apologize from the bottom of my heart that it was unintentional. Together with the President we have tried to make the club have activities throughout the year and that bonding improves and we, as a club, improves to greater heights.

We a sense of pride, I am penning these final words in our magazine as Secretary..... take care and all the very best to the immediate 2025-26 team under Ranjay Goel and the many teams that follow.

Cheers!!!!

## Rotary Club of Secunderabad Sunrise 28 July is World Hepatitis Day

World Hepatitis Day, 28 July, is an opportunity to step up national and international efforts on hepatitis, encourage actions and engagement by individuals, partners and the public and highlight the need for a greater global response as outlined in the WHO's Global hepatitis report of 2017.

The date of 28 July was chosen because it is the birthday of Nobel-prize winning scientist Dr Baruch Blumberg, who discovered hepatitis B virus (HBV) and developed a diagnostic test and vaccine for the virus.

Low coverage of testing and treatment is the most important gap to be addressed in order to achieve the global elimination goals by 2030.
