August 2025 , as reported in LinkedIn

From fostering entrepreneurship in Rwanda to wildfire relief in Korea, our members around the world are making a powerful impact:

- Partnering to foster entrepreneurship with sewing machines in Kigali, Rwanda
- Providing emergency relief and restoring temples after wildfires in Gangwon Province, near Seoul, South Korea
- Serving 200,000+ meals to families in need near Denver, Colorado, USA
- Selling homemade dog biscuits to fund animal shelters in Yukon, Canada

August is Membership and New Club Development Month. It reminds us that Rotary's strength lies not just in numbers, but in how deeply we belong to one another. Our new Rotary International President, Francesco Arezzo, has set the tone with a simple theme: "There is always room for one more at our table." His call is for inclusion, renewal, and growth.

This spirit is alive across Rotary. In Rwanda, a new club donated sewing machines to empower the deaf community. In South Korea, Rotarians responded to devastating wildfires, even helping restore the historic Gounsa temple. Here in India, RC Nagpur Elite launched three biodiversity parks with an Ayurvedic college, planting 200 saplings for conservation and pollination. Each story reflects the same truth—Rotary changes lives one invitation at a time.

I was fortunate this month of August to attend meetings in three continents ; Guadalajara (Mexico), Suva (Fiji), and Auckland (New Zealand). In Guadalajara, Rotarians used cultural projects to strengthen community pride. In Suva, clubs united on climate adaptation for island communities. In Auckland, partnerships with universities are shaping youth leadership. I returned home inspired, carrying new ideas to share with our clubs in India.

What connects these efforts—whether in Kigali, Nagpur, or Auckland—is the power of invitation. Every act of service begins when someone opens a door, says "yes," and makes space for one more.

As we step into this Rotary year under President Arezzo's leadership, let us ask:  
Who can we invite to our table? Whose voice can we uplift?  
Whose life can we change with one act of service?

Rotary is not just an organization. It is a family—ever-growing, ever-welcoming, and always ready to serve.

Rajesh Pamnani

Our Club members (Rtn. Ramayya, Rtn. Rajhans Banka and Rtn. Gumidelli Srinivas) have attended the Handover function at Abhilasha Vocational Centre and Special Care School at BHEL, RC Puram. The differently abled children aged above 18 years are admitted at Abhilasha Vocational Centre, whereas children below 18 years are admitted in Special Care School.

As you are aware we have gifted items like RO Water plant, Almirahs, chairs, Computers, Printers, laminating machine, Jute sewing machine, Cutting machine, sports equipments like swings, slides etc. All these items costed around 15 lakhs and the amount was sponsored by under CSR from BHEL GE.

The equipments are utilized for print jobs, for making jute bags and purses, masala etc. These products are marketed to various corporates and surprisingly they make good profits too...

The event was graced by the Chairman of BHEL GE /Director Finance BHEL, Mr Dwivedi, Ms Claire from Singapore, South Asia Head of GE, , Mr Raja, Executive Director of BHEL, Mr Dharmesh Save, MD of BHEL GE.

We had a very exciting experience of interacting with around 250 differently abled children, witnessing their skills, Learning about their various training methods. But what touched us the most was the passion and commitment towards improving their skills and looking very happy and smiling all the time.

The cultural performances exhibited by them was no less than ordinary children inspite of their disabilities.

We spent around 4hrs with them, and every minute was worth it.

[www.jaishree.com](http://www.jaishree.com)

I was chatting with a friend who had just become a representative of a mutual fund house. Before he could suggest anything I said: "at this stage of my life I want to simplify, not add anymore fund houses to my existing portfolio but let me refer a few friends who maybe interested."

Thankfully he wasn't offended and commented: "gosh you're so clear in what you want or don't want."

Thankfully I wasn't offended by that statement either

Why is clarity often mistaken for rudeness? And being clearheaded a sign of aggression?

Not too many of us prefer reason, logic, sense and deliberation to guide us. Anxiety about how we will be perceived if we are 'different'. Fear that people will think us 'odd'. That we won't be accepted by the 'group'. That we are 'strange' because we aren't in unison with the rest of them, are some reasons that come to mind. Besides, clear thinking is a cultivated skill of critiquing things and of not believing everything thrown our way.

We forget that at the end of the day 'individual' ideas carve a journey towards fulfilling our desires. Else, we live others lives.

The more aligned is decision making towards values and goals that are ours, the less likely we will stumble into an abyss of self destruction.

Disregarding our unique points of view is easier. Confronting ourselves with what really matters is tough. Therefore most of us prefer remaining muddleheaded!

Clarity comes to the refined mind.

Rtn. Rajesh Pamnani Visited the Rotary Club of Suva Peninsular Sunset -  
An evening club, young & fun oriented on August 2025

Dear Rotary Members,

I am delighted to share with you that the Rotary International Board, in accordance with our bylaws, has selected a new Rotary International President for 2026-27.

Olayinka (Yinka) Hakeem Babalola of the Rotary Club of Trans Amadi, Rivers State, Nigeria has accepted the nomination and will immediately become the Rotary President Elect. His term as President will begin 1 July 2026.

Yinka began his Rotary journey at the age of 22, participating as a Rotaractor from 1988 to 1994, then joining his current Rotary club in 1994. An attorney and executive in the energy sector in Nigeria, Yinka supports the Rotary Foundation with a named endowment and is an Arch Klumph Society member.

This year, as we Unite for Good, we should take this opportunity to unite across time, building connections with the leaders past and future, and ensuring continuity in our efforts, working together to grow Rotary and the increase impact of our service.

I look forward to working with President Elect Yinka to help lead Rotary to new heights.

Warmest regards,

Francesco Arezzo

**Tree Plantation Drive – August 25**

As part of our annual tradition, RCSS conducted its tree plantation drive on **August 25**, reaffirming our commitment to the environment — one of the **seven focus areas** of Rotary. Tree plantation is one of the most effective activities for environmental protection, making this initiative both meaningful and impactful.

This year, the venue selected was **DHARA Resorts**, an ideal location where the plants will be well protected, thanks to the resort owner, a fellow Rotarian and our current club president.

A variety of saplings were collected, including:

- Peperomia
- Dracaena
- Calathea Zebrina
- Yucca
- Dieffenbachia

By noon, **11 Rotarians, 9 Anns**, and 1 Annet gathered at the venue as scheduled. **Rtn. Ramayya K. A., Director – Community Services**, addressed the group, highlighting the importance of tree plantation and its lasting benefits to society.

All participants actively took part in planting the saplings, ensuring each was manured and watered properly. The enthusiasm of both Rotarians and Anns made the event lively and memorable.

The sense of satisfaction from contributing to environmental conservation was evident among the participants. **Director – CS Ramayya K. A.** thanked the trust officers, club leaders, and members for their support and participation.

The event concluded with a fellowship lunch, after which participants dispersed with a shared sense of pride and accomplishment. The drive was a great success, thanks to the collective efforts of our members.
