Rotary Leader - Helping club and district leaders achieve success
November 2025

Reasons to celebrate during Rotary Foundation Month

There are many reasons to celebrate as we observe Rotary Foundation Month in November. We surpassed not only our comprehensive fundraising goal of US\$500 million in 2024-25 but also our ambitious goal to raise US\$2.025 billion by 2025 for our Endowment Fund. These accomplishments reflect the dedication of members and supporters like you. Your generosity is building a stronger, more sustainable Foundation.

We invite club and district leaders to express gratitude to donors and reflect on the positive impact their generosity has made possible. Share this video with members. You can further support Rotary's ability to continue Doing Good in the World by doing these things:

- Make a special gift to the Foundation on Giving Tuesday, 2 December. The top clubs in fundraising, donor participation, and online giving will be featured on My Rotary. Read about last year's top Giving Tuesday clubs.
- Make a gift to the Foundation at any time to help people in need
- Organize fundraisers using Raise for Rotary, our online peer-to-peer fundraising tool. People have used it to create more than 3,700 fundraising pages, collecting more than US\$3 million for the Foundation.

FOR CLUBS

The secret to a flourishing club

Successful clubs set goals effectively. When club leaders plan for the future, they give the club a sense of direction. Whether you aim to welcome more members, complete more service projects, or improve the experience that your club offers, setting goals motivates members to work toward a common purpose.

Rotary Club Central makes it easy for Rotary and Rotaract clubs to set their goals and track their progress. Club leaders can set yearly goals for up to three years and record the club's accomplishment, and all members can view the club's progress. Plus, new club leaders can use previous goals to make informed decisions about the club's direction.

- It's never too late to start planning for your club's future. To get inspired, read this Rotary magazine story about clubs that benefited from using Rotary Club Central to set goals. Then visit Rotary Club Central to get started.

AWARDS

Congratulations to District Excellence Award recipients

Rotary's prestigious District Excellence Award is presented to districts where half or more of the Rotary clubs earned the Club Excellence Award. Last Rotary year, 123 districts earned the District Excellence Award. All of the clubs in five districts (2032, 2050, 2820, 3522, and 4355) earned the Club Excellence Award. Get a list of the recipients of the District Excellence Award.

The Club Excellence Award recognizes the hard work clubs do throughout the year. To earn the award, clubs must:

- Set goals in Rotary Club Central
- Report that they've achieved more than half of their goals
- Pay club invoices within 60 days

Club leaders have until 30 June 2026 to set, achieve, and report on their goals to be eligible for the 2025-26 Club Excellence Award.

EVENTS

Celebrating the 80th anniversary of the United Nations

Rotary International and Rotary districts in Northern California, USA, are organizing a collaborative event to highlight Rotary's historic and ongoing relationship with the United Nations. The half-day event will take place on 11 December in San Francisco, the birthplace of the UN Charter, in the building where the charter was signed in 1945. The event will focus on innovation, shared responsibility, and renewed partnerships to advance the cause of global peace and development. Find out more about Rotary's UN event. 3,700 fundraising pages, collecting more than US\$3 million for the Foundation.

December in Rotary is Disease Prevention and Treatment Month—a reminder that health is the cornerstone of human development and that Rotary's mission begins where suffering ends. As we reflect on November, The Rotary Foundation Month, I am deeply inspired by the power of collective giving. Across the world, millions of lives are touched each year by Foundation-supported projects: from polio immunization drives and maternal health programs to clean water initiatives and peace fellowships. Last month was a celebration of generosity—and a reminder that every contribution we make fuels hope somewhere in the world.

Here in our club, the spirit of service and learning continued through thoughtful and engaging programs. We hosted a Speaker Meet, our own member Rtn Ravi Ladia on making a personal will; inviting voices that broadened our perspective and challenged us to think beyond boundaries. We also held our Club Assembly, where we reviewed our progress, aligned on future priorities, and reaffirmed our commitment to transparent leadership and meaningful impact.

December also brought a moment of pride as we received CSR recognition and awards, honouring our efforts to partner with corporate allies to deliver sustainable and large-scale community development. These collaborations expand our reach and reflect the trust that society places in Rotary's integrity and efficiency.

Looking ahead, our preparations are underway for an important milestone—the District Governor's visit. This visit is not simply a formality; it is an opportunity to showcase our achievements, reflect on our journey, and strengthen our roadmap for the months ahead. I encourage every member to participate wholeheartedly, for it is unity that powers progress.

As we step into a season of reflection and celebration, let us carry forward the message that RI President Francesco Arezzo continues to remind us: "There is always room for one more at our table." Whether it is a new member joining our fold, a partner supporting our mission, or a voice adding perspective, every contribution enriches our family of service.

December invites us to cherish fellowship, honor our shared purpose, and renew our inspiration for the new year.

Together, we continue to build healthier communities, stronger partnerships, and a brighter future.

Wishing all our members and their families a peaceful and joyful festive season.

I worry about how facets that led to becoming adept and skilled at a craft and which were givens, are now overlooked, scoffed at, and relegated as ancient practices. Yes, there's a rush to mastery, to proficiency, to expertise.

Everyone wants to soar. No one wants to invest in the habits that require one to take off.

So what are those habits?

Specificity. No one can do 'everything'. Pick one thing.

Process. Acquisition comes in natural progression. One step at a time.

Immersion. Full heartedness. Become part of the story.

Continuation. Keep at it. Stick.

However, when short-cuts, aversion to exert, repulsion to struggle are a part of your being how will adeptness develop?

Instantaneous versus brewed. And I am not referring to coffee!

**He who would learn to fly one day
must first learn to stand and walk
and run
and climb and dance;
one cannot fly into flying.**
