

End of Poverty

A STITCH IN TIME BUILDS LIVES

You have seen the beautiful Indian saris, their rich weaves and intricate designs. Still richer are the traditions that go into their making. Picture this. Hundreds of talented women from the villages stitching and sewing; putting their heart and soul into their work so that someone somewhere will have something nice to wear.

Now spare a thought for their motivations. Many of these people have no alternate source of income. They do what they do because they love doing it but also because it is the only way they know how to support their families and send their children to school. Without the tools of their trade, they are helpless, unable to eke out a living.

We don't have to sit back and watch. We can help. Rotary District 3150 regularly chips in with contributions towards their cause. And we're doing it again, on Saturday the 24th November. Rotary, Dist. 3150 with your help of course, will give young and old women from the villages of Andhra Pradesh cause to cheer.

We aim to distribute Sewing Machines to these eager souls who have promised to put their talents to good use. At US\$ 100 per sewing machine the price isn't too high. And when you compare that with the US \$ 50 per month income that each machine can fetch, the initiative can come as a blessing for those in need.

We have provided more than 5,000 Sewing Machines over the years.

Rotary's stitch in time is building lives, and RI District 3150 will continue to remain at the forefront of this endeavour.

DISTRICT GOVERNOR
TVR MURTI
&
ROTARY CLUB OF BHAGYANAGAR
& 42 PARTICIPATING CLUBS
RI DISTRICT 3150

Proudly invites you all to the

Distribution of 678 Sewing Machines
