### President Message

Dear Rotarians,

It has been three months we have taken the charge of the club, to start a fresh year. The new team is mix of young and old. The club has completed 11 years of service to the society by way of contribution to in Health, Education, Afforestation. Polio eradication etc. We, the members of new team assure you that, we continue to do the same by improving and improvising to reach greater heights of achievement.

RI President Rtn.Sakuji Tanaka has given theme for us Peace through service, which shall be kept in mind through out the year for planning and implementing the programmes of our club. We also wish to inform that we would like to strengthen the club with opening Rotaract and Interact Clubs , by which we can groom the future generations to become Rotarians.

For achieving all this ,we require your cooperation. Let our dynamic club shine and get greater recognition at the Dist. Level.

JAI HO SUNRISE.

Rtn. K. Amarnath

### Editorial

Hi Rotarians,

Warm Greetings !

I am very excited and filled with a lot of joy, the only reason being that I am able to reach out to every member of this vibrant Rotary Club of Secunderabad Sunrise apart from all the key Rotarians. The Sunrise Times is the true reflection of the activities of our club and I am sure every member is very eager to grab a copy of this, as early as they can. As you are aware, the activities of our club under the dynamic and committed presidentship of Rtn Amarnath and dedicated team of BOD's have excelled in all the areas. I have put my best efforts to capture all the events in the most befitting manner, so that the members irrespective of their presence can enjoy reading and view photographs published in this magazine. I would be glad to receive any articles of interest, any major achievements of our members, jokes or puzzles etc which can be published in the next issue of Sunrise Times. I thank the President and the BOD's for entrusting me with the responsible and challenging post of being the editor of The Sunrise Times.
