## President's Message

Dear Rotarian,

With your encouragement, we have published two issues of SUNRISE TIMES so far. We have entered the third quarter to continue the club programmes synchronizing with Dist. Programmes. It is a wonderful period to remember. In January, we have participated in NID programme with the foreign guest Dr. Zeeshan Ali Cheema, Doctor from Pakistan. We have hosted GSE Team for a day. DG has visited our club on 8.2.2013. During his visit, he Inaugurated the K.G. Block of Centenary School, Secunderabad at the cost of Rs. 1,10,000/-. We are thankful to Rtn. Muralikrishna, who has come forward to donate entire amount. During DG's Visit, we have conducted various programmes i.e. release of Magazine, Pins to Rotaractors, Interactors and Vocational awards. We have also participated in the Dist. Conference Adhbhutam from 22.2.13 to 24.2.13. It was held in a grand scale with various activities. The memories of the event are so sweet and continue in our minds for some more time. In March, we have wonderful family fellowship at Avasa, Speaker meeting on RTI act by prominent Activist Sri. Karira and ended the financial year with a visit to SMILES (Old age home). Thus we were able to do activities encompassing Polio, Fellowships, Community service and Youth activities.

With Rotary Greetings.

**Rtn. K. Amarnath**

## Editorial

Hi Rotarians,

Hope you have enjoyed reading the 2 issues of Sunrise Times. I am extremely delighted to communicate with you through this 3rd issue of Sunrise Times which is very special because of the size and the increased coverage of the Rotary Activities. I am thankful to the President Rtn. Amarnath for providing the necessary information and pictures for the successful publication of this quarterly magazine. Of course, I am thankful to all the Rotary members who have been actively participating in various Rotary events both at the club and the District levels. But, I personally feel that our club is blessed with a lot of talented, quality and creative members and their potential is not being capitalized by our club. To move in this direction, I sincerely request all the members to actively start participating in weekly meets, community programs, fellowships, District/International Events etc., I am sure that the time spent in rotary events shall enhance your public relations, business networking, leadership skills, knowledge and a lot of satisfaction while involving with community development programs. Should you have any suggestions/ideas for further improvements of Sunrise Times, please do not hesitate to contact me.

Happy Reading
